Waiver and Release of Liability

I am allowing my companion animal to receive massage therapy. I understand that massage is not a substitute for medical treatment or medications, and that it is recommended that I work with my Veterinarian for any medical conditions that my animal may have. I understand that any of the massage sessions are for the purpose of stress reduction, relief from muscular tension, general relaxation and improvement of circulation and range of motion.

I understand that the Massage Therapist cannot diagnose illness or disease, cannot prescribe medications, and that spinal manipulations are not part of massage. I understand that any information provided by the Massage Therapist is for educational purposes only, and is not diagnostically prescriptive in nature.

I *have* informed the Massage Therapist of all my animal's known physical conditions, limitations, medical conditions and medications. It is my responsibility to update this information with the Therapist and contact my Veterinarian if my animal's physical condition, limitations, medical condition or medications should change.

By signing this release, I hereby waive and release the Massage Therapist listed below from any and all liability, past, present and future, relating to massage and bodywork.
